Also – if John agrees, I will accept your comments as they stand. FYI – I have alerted Mary to your concern on timing and Leif and I discussed it earlier this week. I think he will touch base with her on Monday too.

DELIBERATIVE

Jeaneanne and Steve—I made a slight edit to the FDEP draft to show a potential additional first sentence to the footnote to

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Note that I accepted Rosemary and Kathy's other edits to generate these clean versions.

Suggest you give this a look and provide any comments or edits to facilitate these drafts being available for leadership later today, in preparation for next Tuesday's meeting. I understand that the FR draft is in progress too and we may be able to move that draft up later today or Monday after you get a chance to look.

Thanks,
John
